EXHIBITION – B2B – CONFERENCES

MRO SUMMIT GUANGZHOU IS BROUGHT TO YOU BY

WITH SUPPORT FROM

WHY CHINA?

46 46 passenger airlines in China

324 MRO Industry growth in China from 2016-2019 (billion CYN)

6795 Total aircrafts in China by 2020

The Asia Pacific Aerospace MRO market is one of the fastest growing international markets, with an expected 5.5% growth rate by 2027. China, a leading contributor to the development of the regional market, is set to become the world's largest MRO market with a projected value of \$23 billion by the end of 2030.

WHY GUANGZHOU?

THE WORLD'S TOP AIRPORT FOR 2022
Guangzhou Baiyun International Airport

✓ The geographical center of East Asia

✓ 40+ million passengers per year

✓ Largest airline company in Asia-pacific region, China Southern Airlines

✓ Home to leading MRO provider in Asia, GAMECO

By 2020, the route network of Baiyun Airport in Guangzhou has covered more than 230 destinations around the world, with more than 300 routes, including 166 international and regional routes.

MRO Summit Guangzhou brings together leading international and regional organizations to explore emerging innovations, capabilities, and technologies through a series of technical conference sessions and a prescheduled program of business-business meetings.

Advantages of the program:

- Explore the **latest technologies** of the MRO sector and find out about the **industry developments**
- Learn about **market growth** drivers, **cost efficiency** and **management opportunities**
- Connect with **Chinese industry leaders** to expand your business

B2B MEETINGS

Day 1: High Level Conference

MRO Guangzhou Summit offers a must-attend conferences program. This is an excellent opportunity for international speakers to share their insights and experiences, and for attendees to better understand technological and business advancements across the market.

Day 2 & 3: B2B, Exhibitions and Workshops

Showcase your products and capabilities to the contacts of your choice through pre-scheduled, bespoke B2B meetings. With the global MRO supply chain on site, network with international companies and contacts from around the world through a programme of tailored B2B meetings in just 2 days, with minimal expense and organizational constraints.
